Watergate Penthouse

This distinguished penthouse with sweeping Potomac River views combines a spectacular neo-classic and Art Deco-inspired renovation to provide an unrivaled sense of space, comfort, and elegance. Full-length balconies extend from every room, flooding the interior with light, while lavish applications of imported stone, mosaic tile work, and designer lighting create a remarkable architectural design. Previously the residence of Elizabeth Taylor and Senator John Warner, this is an unparalleled retreat for quiet relaxation or entertaining on a grand scale, and is arguably the most spectacular apartment in Washington, D.C.
